

At Avon for over 125 years we create environment where beauty and business meet together. It is not only a very special place to work but first of all, it is a great platform to exchange professional experience with experts from various business areas and markets. Inspiring work, which has an impact on lives of millions of women around the world – it is our promise that we make to our Associates.

## AVON OPERATIONS POLSKA and AVON DISTRIBUTION POLSKA

- Avon's second largest Manufacturing and the most complex factory, located in Garwolin (60 km outside Warsaw)
- Heart of Supply Chain functions in EMEA region (Supply Planning, Sourcing, NPE&D, R&D).
- Cosmetics Distribution Centre for more than 50 countries in the world
- Advanced production processes based on top quality standards.

We would like to invite you to our annual:

## SUMMER INTERNSHIP PROGRAM
